7) From the proposal of the Municipal Commissioner it could be seen that even the non-clerical appointments like the post of the Bill Collector and the Octroi Mutsaddi can be filled up by the appointment of persons who have completed S S L C course or even persons who have passed the M S examination In view of the paucity of S S L C candidates particularly belonging to Backward Communities, the proposal of the Municipal Commissioner, to the extent of reducing the qualification to the M S examination in respect of non-clerical posts in this cadre, may be accepted and the vacancies be filled in after classification and advertisement As regards his other proposal to fill up the vacancies without reference to the communities of the candidates and without classification of the vacancies, I am of opinion, it need not be sanctioned

K SUBBA RAO ESQ, B A,
MUNICIPAL COMMISSIONER
BANGALORE CITY

To

J B Mallaradhya, Esq., M A,
Additional Secretary to the Government
of Mysore, Bangalore.

ADDITIONAL SECRETARY No Date GOVERNMENT OF MYSORE

SIR,

I have the honour to state that there are at present, as many as 87 vacancies, in both the Ministerial and Executive Establishments in the several sections of this Municipality. In response to the advertisements in the gazette through the Public Service Commissioner, no applications are being received even in respect of higher appointments carrying a pay of above Rs.35/- per month, and the Public Service Commissioner has been intimating this office in almost all the cases that locally available and duly qualified candidates belonging to the respective communities may be appointed It has been not possible to secure locally, the services of the duly qualified candidates as per rules of recruitment. The work in all the sections of this Municipality is so severely handicapped that it has become impossible to carry on even the normal work of this office. Further, the work of revision of assessment on buildings and lands in the City has to be pushed through expeditiously in the interest of Municipal Revenue as directed by Government. No candidates are available for being appointed as Tax-Inspectors and clerks to work in this Section The two Assessing Officers appointed for this purpose have reported themselves for duty and the non-availability of clerks to work under them has come in the way of their showing good progress

2. As per rules of recruitment, all appointments carrying

carrying a pay of above Rs.20/- up to Rs.35/- per month require a pass in the S.S.L.C. Examination In this Municipality, there are some appointments as specified in the enclosed statement which may be filled up by candidates who have passed the M.S Examination.. On a reference received from the Public Service Commissioner in the matter of reducing the minimum qualification in respect of II Class appointments, the above said statement has been sent to him in this office letter No.A5.C 962/44 dated 2-3-45 and orders of Government have not yet been received in this behalf.

3 In these circumstances, I request that till duly qualified candidates, as per rules, are available, I may kindly be permitted to entertain candidates for all kinds of appointments irrespective of community, qualification, and age, and also to entertain candidates who have passed the M.S. Examination, to the posts mentioned in the enclosed statement and to entertain pensioners also as is being done in the Food and Civil Supplies Departments provided the candidates so entertained are competent to carry on their duties satisfactorily Unless the rules are relaxed to the extent indicated above as a temporary measure so long as the present paucity of qualified candidates continues, I am afraid, it will be next to impossible to carry on even the normal administration,-let alone to execute the many works of improvement which have been included in the current year's programme of this Municipality.

I have the honour to be,
Sir,
Your most obedient servant

K Ramaraj
Municipal Commissioner.
